ABOUT ME

I'm a passionate IT graduate who loves building web applications, exploring game development, and solving real-world problems through code. Currently seeking opportunities to grow as a full-stack developer.

WORK EXPERIENCE

Internship on 5th Civil Relations Group **Feb. 24 - May 26, 2026**
Work on a project where we build a

Inventory Management System to ease
their job and track the items

I don't have other Work Experience but I
am looking forward

Projects:

- Online Ordering System with Inventory, POS, Billing and Sales Report for Nar's School Supplies
- Scrappix: AI-Powered Recycling and Repurposing for Filipino Households: Fostering Sustainable Habits and Economic Empowerment
- Inventory Management System for 5th Civil Relations Group
- Hours To Days Calculator a modern web app that calculates project completion dates based on total hours, daily work hours, and custom schedules
- TuneBox a music playlist manager build with React Native, Firebase and Youtube API
